

On My Side

Dehd

Letters stop
Let me know
If you're coming
Back again
Let me know

Kiss me now
Let me know
If you're gonna
Be my friend
Let me know
When to go

Time is on my side
I will be alright
Time is on my side
I will be alright

Letters stop
Let me know
If you're coming
Back again
Let me know

Little things
Constantly keep reminding
Me of you
Let me know
When to go

Time is on my side
I will be alright
Time is on my side
I will be alright
I'll be alright
I'll be alright

I'll be alright
I'll be alright

I'll be alright
I'll be alright

I'll be alright
I'll be alright
