

I got what I want
I got what I want
I got what I want
I got what I want

I got what I want
(There he goes again)
I got what I want
(There he goes again)
I got what I want
(There he goes again)
I got what I want
(There he goes again)

You belong to me
(There he goes again, ahh)
You belong to me
(My lovely friend, yeah)
You belong to me
(There he goes again, ahh)
You belong to me
(My lovely friend, yeah)

I got what I want
(There he goes again)
I got what I want
(There he goes again)
I got what I want
(There he goes again)
I got what I want
(There he goes again)

You belong to me
(There he goes again, ahh)
{I got what I want}
You belong to me
(My lovely friend, yeah)
{I got what I want}
You belong to me
(There he goes again, ahh)
{I got what I want}
You belong to me
(My lovely friend, yeah)
{I got what I want}
