

Tune Out

Dehd

Tuning out
Tuning out
Well, I'm always
Tuning out the feeling

Tuning out
Tuning out
Well, I'm always
Tuning out the feeling

Save me from darkness
Keep my demons in check
Got so many problems
Don't know where to step

Save me from darkness
Keep my demons in check
Got so many shadows
Don't know where to step

Tuning out
Tuning out
Well, I'm always
Tuning out the feeling

Tuning out
Tuning out
Can't get into
Nothing when you see me
