

Wait

Dehd

Once in a while I don't want to know
Most of the time I'm fine
Living life's gold with your eyes shut closed sometimes
Wait

Wait for me
I'm coming as fast as I can
(I came along)
Baby, wait for me
(Just after dawn)
Wait for me
I'm coming as fast as I can
(I came along)
Baby, wait for me
(Just after dawn)
Wait

It's peace of mind knowing that you're close
Most of the time I'm fine
Give me some rope so I know my hands aren't tied
I guess I'll
Wait

Wait for me
I'm coming as fast as I can
(I came along)
Baby, wait for me
(Right after dawn)
Wait for me
I'm coming as fast as I can
(I came along)
Baby, wait for me
(Just after dawn)
Wait
