

Window

Dehd

There's a hole in my window
I was wondering how the rain was getting in
Was it from all this crying or was it from Heaven?
Heaven
Heaven

This is gonna be the last time, yeah
In attempt to rip my heart from its place in the past
Makes me want to destroy myself
Always losing when I'm looking to
Eh-yeah, eh, eh-yeah eh-eh, eh-yeah, eh, eh-yeah eh-eh

Blue skies, blue skies
There's a hole in my window
I was wondering how the rain was getting in?
Was it from all this crying or was it from Heaven?

When will I feel it? Will I believe it when I do?
Blue skies, do
Blue skies, do
Blue skies, do
Blue skies

Yeah-yeah, eh-eh
Blue skies
Yeah-yeah, eh-eh
Blue skies
Yeah-yeah, eh-eh
Blue skies
Yeah-yeah, eh-eh
Blue skies
