

# Excommunicated

Deicide

Consume communion  
Feast on his remains  
Absurd absolution  
Confess your sins away

Birth from the virgin mother  
Spread your holy legs  
Bastard father absent  
No one cares that you've been slain

Amongst shattered  
Wrongly sentenced and banished  
Aligned pagans  
Fellow accused heathens  
Labeled different  
Sign of the elite

Answer his call  
Answer his call  
The coming purge  
The coming purge  
Can't escape death  
Can't escape death  
Your life is mine  
Your life is mine

Excommunicated  
And the death of your lord  
Beheaded holy savior  
And to bathe in his gore

Excommunicated  
Will evaporated  
Soul annihilated  
Excommunicated

Detest preachers  
Servants of the mindless  
Weekly penance  
All for spiritual gain

It came from high  
To rid me of existence  
Facade of religion  
In its conclusion

Look to the sky  
And give your soul to him  
Pay with your life  
Your penance put to death

Excommunicated  
Will evaporated  
Soul annihilated

Excommunicated  
Missed the call from your god

Total desecration from the christ and the cross

Excommunicated

Will evaporated

Soul annihilated
