

Faithless

Deicide

Reverse the words of the righteous
Devoted with body and soul
Become one with the deceiver
Absorb all creation
I am salvation incarnate
My essence will fill the void

Given the power of rapture
Sat at the right hand of God
Forgiving all transgressions
I am your shepherd now

Distance from the familiar
Salvation openly mocked
As I bend and break you
I am the faithless of God

Words brought from the divine
Bring forth judgement day
Message of a coming storm
Devotion the only way

Gather those who worship
Prepare to die
Dissect your wisdom
You and your Christ
Die

I am the faithless of God
Pay for my sins with my blood
I am the faithless of God

Time to dismantle the prophet
Sharing belief in his blood
I will see you all in Hell
Kick in the face of your Lord

Gather those who worship
Prepare to die
Dissect your wisdom
You and your Christ
Your Christ

I am the faithless of God
I am the faithless of God
I am the faithless of God
Lost is the souls of the dead
