To Hell with God

Deicide

Missions of death, spread upon earth Preach in disguise of a god and his church No compromise, believe or you die, pray unto him and to follow his lies Buy into christ, he waits on you dead, sin for the father again and again Falter, diminished, salvation, enslaved, to hell with god and t o all that he gave Raise our glass to blasphemy and piss upon the altar Servants of the lord above, ignore the new world order Conquer us, unleash damnation, go from here into temptation Live in fear, for he forsakes you, lies endeared for all creati on Festering death, forsaken my soul, evil so ancient from elders of old Waging this world with its book of disgust, casting its will up on all who will trust Protests, won't leave them to be, spoiled by god and his beauti ful scheme Satan insists on his being, upon the earth and emplaced oversee ing Raise our glass to blasphemy and piss upon the altar Servants of the lord above, ignore the new world order Conquer us, unleash damnation, go from here into temptation Live in fear and no salvation, lies endeared for all creation To hell with god, you're damned to the edge of riddance To hell with god, you don't want to be forgiven Put aside your crucifix To hell with god, him and his son, do not believe the likes of a thief To hell with god To hell with god To hell with god Missions of death, spread upon earth Preach in disguise of a god and his church No compromise, believe or you die, pray unto him and to follow his lies Buy into christ, he waits on you dead, sin for the father again and again Falter, diminished, salvation, enslaved, to hell with god and t o all that he gave Raise our glass to blasphemy and piss upon the altar Servants of the lord above, ignore the new world order Conquer us, unleash damnation, go from here into temptation Live in fear and no salvation, lies endeared for all creation To hell with god
