Deine Lakaien

Waterfall, waterfall  
Running down the hill  
Waterfall, waterfall  
Running down the hill  
Running down from soul  
Following my will  
Running down from soul  
Following my will  
Mindmachine, mindmachine...  
Riverside, riverside  
under an orange sky  
Riverside, riverside  
under an orange sky  
Fading to black and white  
Passing passing by  
Mindmachine, mindmachine...  
Ocean wide, ocean wide  
calming down at last  
Ocean wide, ocean wide  
calming down at last  
Listening to the changing tides  
Drawn to the past  
I feel drawn to distant places  
Drawn to the past  
Mindmachine, mindmachine...
