Memories that fade
Our ancient games
Eyes green like jade
Tenderness stays
Portuguese walls
Touched them again
Bring back your name
Lost or reframed

Faces the same
My story's aim
Sweet tenderness
Gifts in the sand
Portuguese trails
Bewilder again
Bring back these names
Lost or reframed

Roads that we take
A castle in the air
Seems far but close
See what we chose
Portuguese walls
We are heading for
Back to the land
Lost or rerfamed

Faces the same
My story's aim
Sweet tenderness
Gifts in the sand
Portuguese trails
Bewilder again
Bring back these names
Lost or reframed

Memories that fade
Our ancient games
Eyes green like jade
Tenderness says
Portuguese walls
Touched them again
Bring back your mane
Lost or reframed

Faces the same
My story's aim
Sweet tenderness
Gifts in the sand
Portuguese trails
Bewilder again
Bring back these names
Lost or reframed

Back to the land
Lost or reframed
Bring back your name
