saw you with a gun  
saw you with a gun  
saw you with a gun  
waiting for fun  
could be anyone  
under the sun

saw you with a gun  
saw you with a gun  
saw you with a gun  
could be anyone  
summer is on  
you are too young

tes-tes-tes-tes-testosterone  
for a lazy drone  
your dna  
blows you away

saw you with a gun  
saw you with a gun  
saw you with a gun  
could be anyone  
what have you done  
prodigal son

saw you with a gun  
saw you with a gun  
saw you with a gun  
could be anyone  
no use to run  
you are undone

tes-tes-tes-tes-testosterone  
for a lazy drone  
your dna  
blows you away
