7 Days

Deitrick Haddon

Gotta tell ya I'm so in a daze,
floating with the clouds,
the highest clouds, feels like heaven

When I think of You, I stand amazed,
so mesmerized, words can't describe,
but I'll try 'cause...

You're always on my mind
seven days of the week;
even when I'm asleep,
I'm constantly dreaming of You.

It happens every time I fall to my knees,
Your sweet name makes me weak,
I'm constantly dreaming of You.

When I feel Your love, I'm so alive,
get butterflies, feels good inside,
I'm on cloud nine,

No one else can do the things You do,
Amazing You,
I want to tell the whole world.

Like a flower fully bloom from a sunshine,
so beautiful,
only You can make me feel
the way I'm feeling right now

Like an autumn leaf,
I'm falling so in love;
how do You make me feel this way?

You're always on my mind
seven days of the week;
even when I'm asleep,
I'm constantly dreaming of You.

It happens every time I fall to my knees,
Your sweet name makes me weak,
I'm constantly dreaming of You.

You give me peace of mind,
without You, I'll be lost.
And thank You for Your sweet love,
it feels so good,
please don't ever leave me
