

All Day Long

Deitrick Haddon

Go and find ten people, tell 'em "Happy New Year"
Go, go, go, go, go, go, go, go
Oh yeah

I wanna see all of you havin' a good time
(All day long)

Tellin' me girl
God has brought us through another year
You have come to find that faith so don't you fear
He has already made your pathway clear
Get up on your feet and do your dance
It's alright to move and clap your hands
Oh yeah

Go and find three people and tell 'em "I can praise Him
All day long
All day long
All day long (Alright)
All day long

Just wait, just wait, just wait
Sit here, just wait
Sit here, just wait
Sit here, just wait

Say yeah (Yeah)

Nothing stops the goodness of
Nothing stops the goodness of Jesus
And everything is done for me
My soul rise up Hallelujah
I think God will save me
Everybody dance right now
