

# Don't Take Your Spirit Away

Deitrick Haddon

(oh, oh)  
I've been without a lot of things  
And in my mind, I'm questioning  
And if ever, He will leave my side  
Don't know how I'll make it, how will I survive

(Ay)And in I heard  
You in my ear, sayin' it's okay, don't worry I am here  
Don't where I would be today, if you would ever take your love away

Don't take your spirit away, your spirit away  
Your spirit away  
Don't know how I can make it from day to day  
Don't take it away.  
I promise You that I will do it better.  
I promise I will get myself together.  
Don't take it.  
Don't take it.  
Your spirit away.

Now am a man with many dreams.  
I'm dreaming more for You, so never leave  
Please won't you stay  
When me always?  
There's no one that  
can take Your place

(Ay)And in I heard  
You in my ear, sayin' it's okay don't worry I am here  
Don't where I would be today, if you would ever take your love away

Don't take your spirit away, your spirit away  
Your spirit away.  
Don't know how I can make it from day to day  
Don't take it away.  
I promise You that I will do it better  
I promise I will get myself together  
Don't take it.  
Don't take it.  
Your spirit away.
