

Every Time

Deitrick Haddon

Oh every time
Always come through
You do it every time

Father, it's me your son Deitrick
I'm not asking for anything
You already supply all my needs
And I just wanted to say thank you
For grace and your patience with me
And loving me in spite of me
Now I see

When I call you, you always come through
You do it every time
And when I need a breakthrough you
Do it every time
You're always there to break my fall
You do it every time
You show me mercy, I don't deserve it oh
Do it every time

Oh give thanks unto the Lord
He is good and his mercy endureth forever, forever
You are the Way, you're the Truth and the Light
You're the moon and the stars that shine at night
And pierce through darkness

When I call you, you always come through
You do it every time
And when I need a breakthrough you
Do it every time
And you give me grace I don't deserve
Do it every time

Alpha, Omega, beginning and the end
Omnipresent, Omniscient, You are Omnipotent
You're not only my God, you're the Father, you're my friend
You didn't mind making the sacrifice to take away all sins

And you hear my cry
Every time
You are the source, strength of my life Lord
Do it every time
Oh, oh
Every time
You keep on moving and doing for me Lord
You do it every time

When I need forgiveness
Do it every time
And you're always there to break my fall
Do it every time
I like what you do when you do when you
Do it every time
I like what you do when you do when you
Do it every time
