

Feel A Breakthrough

Deitrick Haddon

Yeah Let me put the top down
Feeling good right now, Clap your hands Yeah
Keep it right there
Lift those hands

In the pain, you walked me through every step of the way
You even gave me shelter from the rain yeah
And I just wanna give praises to your name, yeah
Yes, and I know even half my praise want your first seeing grace?
And I never would have made it on my journey
You brought me out before you can do it again
Oh yeah, oh but the storm is passing over
The storm is passing over x4
The sun is gonna breakthrough, breakthrough
The storm is passing over x3
Don't worry
God is gonna breakthrough
I can feel a breakthrough feel a breakthrough, he gon come through for ya
Clap your hands
I can feel a breakthrough feel a breakthrough, he gon come through for ya

And after the storm, there's a rainbow and you know you know
And I don't remember, he will never leave you or forsake you no
No he wont, no
Just keep you head to the sky
And know that there's no other him nor other I
Just wear your shoulders, keep moving on
One day all your troubles they will be gone
I believe
The storm is passing over x3
The sun is gonna breakthrough, breakthrough
The storm is passing is over x3
Don't worry
God is gonna breakthrough

The storm is passing over
I can see the sun breaking through
I believe the sun is passing over
The storm is passing over
God is a blessing waiting on you
God is about to come through

I can feel a breakthrough feel a breakthrough
He gonna come through for ya
I can feel a breakthrough feel a breakthrough
He gon come through for ya
I can feel a breakthrough feel a breakthrough
He gonna come through for ya
I can feel a breakthrough feel a breakthrough
He gon come through for ya
I just said, he's gonna come through, come through
He's gon come through, come through
I can feel a breakthrough feel a breakthrough
He gonna come through for ya
I can feel a breakthrough feel a breakthrough
He gon come through for ya
