

Fireworks

Deitrick Haddon

Yeah
Put your hands up yeah would you please
You sinners

I bless you all
Hands up
Can't you feel it?
Hit me
Don't act like you seen a ghost
When we were all of one accord
A mighty rush of wind came
As they were waiting on the Lord

That's when the Holy Ghost came down
Just like fireworks in the room
Something special happens
When we get together, it's like "boom!"
Put your lights up y'all

Let your light shine
Let your light shine
Let your light shine
(These lights of yours)
Let your light shine
(Put your lights up)
Let your light shine
Gotta let your light shine
(Wait, take this y'all)
Let your light shine

Send a praise like fireworks
If the Savior high (Send it up)
Send a praise like fireworks
Illuminate the sky
Send a praise like fireworks
If the Savior high (Send it up)
Send a praise like fireworks
Illuminate the sky
I wanna see some hand clapping
We are the solemn ears
With the light of the world
So illuminate
Turn on the lights chase all the darkness

Let your light shine
Let your light shine
Let your light shine
Let your light shine
(Let your light shine)
Let your light shine
Gotta let your light shine
(Do you have any praises out there?)
Let your light shine

(Send a praise)
Send a praise like fireworks
(I'm wishin there's some praises out there)

If the Savior high (Send it up)
Send a praise like fireworks
Illuminate the sky
Send a praise like fireworks
If the Savior high (Send it up)
Send a praise like fireworks
Illuminate the sky

Send a praise like fireworks
(Like fireworks)
Send a praise like fireworks
(We're going up again)
Send a praise like fireworks
Send a praise like fireworks
(I wanna see some hand clapping right now, hands up would you please)
(I said handclapping)
Send it up
(Do me a favor, jump, jump, jump, jump)
Send it up
(Send it up, yeah, send it up)
Send it up
(Come on send it up)
Send it up
Send it up

Somebody scream that you love the Lord tonight
If you've come to give God the best praise, scream where you are
Fireworks
