

Go Back

Deitrick Haddon

We don't love like we use to
We don't trust like we use to
And when you see your brother drowning
You're coldhearted what's the matter with you
Don't pray and fast like we use to
We spend more time on Youtube
Try to rebuke the devil and he'll say
I'm only Jesus who are you

But if my people which are called by my name
Would humble themselves and pray and then turn from their wicked ways

Gone too far
So let's go back
To the old landmark
Let's go back

Gone too far
So let's go back
To the old landmark
Let's go back
Let's go back

Church we use to have power Lord
Get our instructions from the Lord
Now we don't seek the Lord
Now we do it for facebook and IG
I just call it what I see
People are dying need food to eat
Innocent blood spilled in the street

But if my people which are called by my name
Would humble themselves and pray and then turn from their wicked ways

Gone too far
So let's go back
To the old landmark
Let's go back
Let's go back

Gone too far
So let's go back
To the old landmark
Let's go back

Gone too far
So let's go back
To the old landmark
Let's go back
Let's go back

Gone too far
So let's go back
To the old landmark
Let's go back
Let's go back

Will the real church just stand up
If you're ready lift your hands up
Oh let's pray for rain and call on his name

Let's go back
Go with me if ya wanna back
