

He's Able (The Lost Verse)

Deitrick Haddon

He's able

Eyes haven't seen, neither ears have heard
The things he's prepared for them who love him
Shut the lion's mouth for Daniel, if he parted the sea for Moses
What more will he do for them that believe and know the unchosen

God is able to do just what he said he would do
And he's gonna fulfill every promise he's made to you
Don't give up on God cause he won't give up on you

He's able
He's able
He's able
He's able

God is able to do just what he said he would do
And he's gonna fulfill every promise he's made to you
Don't give up on God cause he won't give up on you

He's able
He's able
