

# Love Joy & Fire

Deitrick Haddon

Yo mali  
Do I need God?  
I do  
Do test and trials hit hard?  
Pull up!  
Hit the bully  
I can see seats filling  
Look up!  
Wow!  
The presence of God coming to you, tapping your neighbor  
We touching wellness and faith  
2007 d told you  
Already know that He's able  
I got my hand on the Bible  
And I got my heart on the table  
Let there be love, be some joy, be some kindness, goodness and favor  
Go!

Love in the house  
Love in the house  
You'll see  
Love in the house  
Love in the house  
That's good  
Let me hear you say

Joy in the house  
Joy in the house  
Somebody, say it  
Joy in the house  
Feels so good  
Joy in the house

Somebody in the room tonight  
In the presence of God that almost lost it all  
It was God's love that caught you before the fall

I was glad  
When they said  
Unto me  
Let us go into the house of the Lord  
There is joy there for me  
There is victory

Love in the house  
Love in the house  
Love in the house  
Love in the house  
Keep going  
Let me say

Joy in the house  
Joy in the house  
Joy in the house  
Feels so good  
Joy in the house

Give me the verse

There's a woman in the city who needs the presence of God  
Let there be joy in the house of the Lord  
A man with his head hanging down feeling like nothing and it's dark  
There's freedom for you and for me in the house

I was glad  
When they said  
Come  
Unto me  
Let us go into the house of the Lord  
Oh. Where there's joy for me  
Where there's liberty  
Can I ask one more thing?

Oh. Let there be fire in the house  
Fire in the house  
Fire in the house  
Fire in the house

Send your sweet fire  
Won't you help me, Lord?  
Send love

Send your sweet fire  
Won't you help me, Lord?  
Send love

I can do nothing without you  
Won't you help me, Lord?  
Send joy now  
Send joy, Lord

Send fire  
God, we need Your fire  
Send it down tonight  
Send fire  
Send fire  
Send fire  
God, revive  
Send fire  
Send fire  
Send fire  
Send fire  
Fire
