Deitrick Haddon

Yessir  
Now we got the hit man for PGM radio  
You know that stands for Pumpin' Gospel Music  
I'm just gonna cut to the chase  
I got the young man that everybody's been talkin' about  
The big buzz about this man  
You know, we have been hip to him for years  
Some of y'all know him like "Chain Breaker" or "Fire"  
I'm sayin', he showed up in our homes  
Imma let him introduce himself  
He ain't here but without further ado
