

My Help

Deitrick Haddon

I look to the hills from which cometh my help
My help comes from the Lord who made heaven and earth

I can feel my help, I can feel my help
I can feel my help comes from the Lord
I can feel my help cometh from the Lord, the Lord
I can feel my help, I can feel my help
I can feel my help comes from the Lord
I can feel my help cometh from the Lord, the Lord

I've been living under pressure
Got the world on my shoulders
And it's kinda gettin' colder
I've been running late on my bills
I'm just tryna keep it real
And at times when my faith is failing
That's when I turn my faith towards heaven
He ain't ever left me yet know
I've come too far to let go

I can feel my help, I can feel my help
I can feel my help comes from the Lord
I can feel my help cometh from the Lord, the Lord
I can feel my help, I can feel my help
I can feel my help comes from the Lord
I can feel my help cometh from the Lord, the Lord

The virus got us runnin' scared
My momma's fighting cancer
And the doctor's got no answer
Lord I'm breaking under pressure
Darkness on the face of the deep
Lord let you light shine on me
Help comin' I feel victory
Diane, baby please sing it with me

I look to the hills from which cometh my help
My help comes from the Lord who made heaven and earth
I look to the hills from which cometh my help
My help comes from the Lord who made heaven and earth

You know what babe, we know what it feels like to be down (Yeah)
But we also know what it is to look up (Yeah)
I think we need to tell 'em
We gotta look up

Jesus is my help
Jesus is my help
Jesus is my help
Jesus is my help...
