

Never Be the Same

Deitrick Haddon

I will never be the same
I will never be the same
I will never Be the same
In Jesus name
I will never walk the same
I will never talk the same
I know I've been changed
What I'm trying to say

Your word has broken the chains
And your blood has washed the stain of sin away

Oh oh oh oh
Oh oh oh
Oh
Oh oh oh oh
Oh oh oh oh

I will never be the same
I will never be the same
I will never be the same
In Jesus name
I will never walk the same
I will never talk the same
I will never be the same
In Jesus name

Your word has broken the chains
Your blood has washed the stain of sin away

I will never be the same
I will never be the same
I will never be the same

I will never walk the same
I will never talk the same
I will never be the same
In Jesus name

I will never be the same
I will never be the same
I will never be the same
I will never be the same again

I will never be the same
I will never be the same again

I'll never
I'll never
I'll never
I'll never

Never be the same

Your word has broken the chains
