

Revival

Deitrick Haddon

Let's go
Issa revival
Restoration
Everywhere I go
Holy Spirit
Breaking them cycles
I'm living in the over flow

You said that if we pray
Turn from our wicked ways
Then we will hear from heaven
You'll forgive our sins
Heal the land today

It's a revival
Back to the Bible
We need it
For our survival
We tear down
Every idol
Preparing
For your arrival yeah

You said that if we pray
Turn from our wicked ways
Then will we hear from heaven
You'll forgive our sins
Heal the land today
