Deitrick Haddon

Babba jibba oh jibaba oh [x4]

It's dietrick haddon man

I be working hard for the kingdom, hard for my Jesus
I know my crown, you can't keep a good man down
I don't do it for the fame, don't do it for the money
Oh I can't help that his anointing is on me

I'm a soldier in this battle
Refuse to lose this war
I may have dropped my shield
But I still got my sword

Ain't never seen the righteous forsaken yeah
Oh I'm not tired yet, no
You've been running this race for a long time
Let me hear you say
I'm not tired yet, I'm not tired yet, no
You've been praying and crying for a long time
I'm not done yet, I'm not done yet, I'm not done yet

And now let the weak say I am strong
Yeah, strong, strong, strong

Man I can't stop now
I got both feet on the ground
Enemy thought he knocked me out
But I can go another round
Making me think I am stronger - strong
Wiser - wise
The God I serve is greater - yeah

If anything that the enemy try to put on me
He forgot my angels has already gone ahead of me
See I'm not afraid of opposition
I am a man on a mission
I have been fighting ever since
To be a man in my decision

You've been running this race for a long time
I'm not done yet, I'm done yet
Let me hear you say
I'm not done yet, I'm done yet
You've been praying and crying for a long long time
I'm not done yet, let me hear you say. I'm not done yet
And now let the weak say I am strong
Yeah, strong, strong, strong
Yeah, I know I know I know I know
You are strong

Yeeup
Strong you think I am weak but you got it all wrong
Like the deposit on the tip of my tongue
I got power and I don't mean the throne
I keep my chest to this beat king kong
I'm talking a real real big big gorilla

I serve a great great God
I'm not done yet
Yeah
And you may think that this is just another song
No, this is my proclamation I am strong
Strong [x3]
I'm not tired yet
Strong [x4]
I'm not tired yet, I'm not tired
Strong [x3]
I'm not tired yet
Strong [x3]
I'm not tired yet
Strong
