

Walls Are Tumbling

Deitrick Haddon

When I Make A Decision, God Can So
Transform Me With His Truth, That No Matter If
I Look To The Right, Left, Behind Me, In Front
Of Me; How Destructive Everything Looks, If I
Stay Still And Hear The Salvation Of The Lord,
God Is On My Side, I'm Making A Decision By
The Blood Of Jesus.

See What The Lord Has Done For Us, See What
A Mighty God He Is.

See What The Lord Has Done For Us, See What A
Mighty God He Is.

The Walls Are Tumbling, The Walls Are Tumbling
The Walls Are Tumbling Down, So Let's Praise
His Holy Name.

God's Gonna Disassociate You From The Pain,
God's Gonna Disassociate You From The
Problem, God's Gonna Disassociate You From
Your Past, Help Somebody.

See What The Lord Has Done For Us, See What
A Mighty God He Is.

See What The Lord Has Done For Us, See What A
Mighty God He Is.

The Walls Are Tumbling, The Walls Are Tumbling
The Walls Are Tumbling Down, So Let's Praise
His Holy Name.

His Mercy Is Gonna Visit You, His Truth Is Gonna
Transform You, Hey You Better Give God Some
Praise, Y'all Better Help Me Out, Get Up Here
Deitrick.

See What The Lord Has Done For Us, See What
A Mighty God He Is.

See What The Lord Has Done For Us, See What A
Mighty God He Is.

The Walls Are Tumbling, The Walls Are Tumbling
The Walls Are Tumbling Down, So Let's Praise
His Holy Name.

The Devil Is A Liar, That Things Gonna Be
Uprooted Today By The Blood Of Jesus, That
Things Gonna Be Conquered Today,
That Things Gonna Be Defeated Today.

The Walls Are Coming Down, Their Coming Down.

It Will Not Grow, It Will Not Have Manifestation,
It's Over, Decisions From My Flesh Are Over,

Decisions From My Past Are Over. You Better
Put Your Hands Together And Praise Him.

Better Get You A Dance In Your Feet, Dance.

The Walls Are Coming Down.
