

Big Shit Talker

Dej Loaf

I'm a big shit talker
I'm a big shit talker
I'm a big

I'm a big shit talker (Big shit talker)
I'm a big shit talker (Talkin' hella-)
Big shit talker

I'm a big shit talker (Talk your shit)

I'm in a titty bar smackin' hoes, no chill
(Big shit talkin')
From Detroit, my niggas do that with no deal (That often)
Treat rats like roadkill
Work cost a arm and a leg, like I dope deal, I'm so ill
That head was decent, decent
I'm in the recent, recent
We don't lease it, lease it
Bitch, my piece is hidden
Y'all can't fuck with us
I got a million reasons
Hundred ways to get paid, y'all still the brokest
Hundred bottles, but my brother focused
For any lame ass nigga tryna cause commotion
Give 'em the okey dokey (Huh, woah)
Holy holy
Call them bitches out
Tonight I'm steppin' out

Big shit talker (Big shit talker)
I'm a big shit talker
Big shit talker
Big shit talker (Big shit talker, yeah yeah)
I'm a big shit talker (Big shit talker)
Big shit talker (Big shit talker)
I'm a big shit talker (Yeah, yeah)
I'm a big shit talker (Big shit talker)

I said "Who are you?" (Who are you?)
Get him out the section
Get a nigga goin' then go link up at his session
In the coupe, only time we fuck with 9-11
If I die today, bitch, they gon' bury me a legend, listen
I don't like loops, they hurt (Ouch)
I don't like dude, got him hurt, yeah
Woah, walkin' like I got it on me
You don't see him with me, nah, you ain't my fuckin' homie
Yeah, I be talkin' like I got it on me (Talkin' shit)
It's on me, I'm humble, this my testimony (Listen up)
Niggas been bitin' style, this shit ain't just start happenin'
The way I wear my clothes, the way I'm rappin' (Yeah)
I hear it in your flows, you niggas is trash
(As a motherfucker, man, listen y'all know what time it is)
