

Faded (Keep Up)

Dej Loaf

If you're horny, let's do it
Ride it, my pony
My saddle's waitin'
Come and jump on it
(Westside)

Can you keep up?
I'm on my level, I'm faded (I'm on my level, I'm faded)
Two shots too many in this club (Mm, mm, mm)
Aye, too many bottles on the table
Yeah, you know what you do to me, yeah (You know what you do to me)
Ask him can he keep up, yeah
He wonder can I keep up

I came to drunk, I came to get litty
Two shots for the bouncers, the bouncers don't frisk me
Can you keep a secret?
Keep askin' for my number
I'm drinkin' on my leisure, give me two shots of tequila (Yeah)
I swear I'm goin' up (Whoa)

Can you keep up?
I'm on my level, I'm faded (I'm on my level, I'm faded)
Two shots too many in this club (Mm, mm)
Aye, too many bottles on the table
Yeah, you know what you do to me
I'm so faded

Baby, won't you come and say, say, say, say hey
I know you're feelin' the same
Yeah, I see you turnt in the back of the club
Come and ride with me, I'll be your passenger
He sendin' signals from the other side of the club
I see him with his boys, he ain't lookin' 'noid
Chain glistenin', sparkles cause attention
I'ma shoot my shot, go and shoot yours
Aye, go, and shoot yours
I only see you in this club

Can you keep up?
I'm on my level, I'm faded (I'm on my level, I'm faded)
Two shots too many in this club (Mm, mm, mm)
Aye, too many bottles on the table
Yeah, you know what you do to me, yeah (You know what you do to me)
Ask him can he keep up, yeah (Yeah, you know I can)
Aye, he wonder can I keep up (Toni)

Baby, can we meet up?
See if you can keep
I'ma pull them legs back, I'ma pull them feet up (Uh)
Ain't no competition, but, you know I want a rematch
I'll take your heart from you, I don't need a ski-mask
Ride me like a bus pass, smell you on my mustache
Bring it to your front door, you would think it's DoorDash
Got a large crib, sometimes I don't know where to fuck at
On top of me when they ask you where you work at, twerk at

Can you keep up? (Yeah)

I'm on my level, I'm faded (I'm on my level, I'm faded) (Faded, faded, faded)

Two shots too many in this club (Mm, mm, mm) (Uh)

Aye, too many bottles on the table (Yeah)

Yeah, you know what you do to me, yeah (You know what you do to me)

Ask him can he keep up, yeah (Alright)

Aye, he wonder can I keep up
