Yeah I know it's been a week but I feel like I know you  
I'ma hold you down and treat you like I'm supposed to  
I'ma show you things them other girls can't show you  
I don't know what it is I just wanna be close to you  
I just wanna be close to you, I just wanna be close to you  
I just wanna be close to you, I just wanna be close to you

Chillin' on the beach in Miami sippin' Henessy  
You don't drink Hennessy I know that you feelin' me  
Take your clothes off baby, see your soul all naked  
We in the water trippin' bae, my car's all crazy  
Put this pussy on your face, I got your nose all wet up  
Your bitch keep on callin' man, I know, I know she fed up  
I never did this before, nah  
You mark tight like a keyboard, yeah  
She drove shop baby, you will score  
Left too early baby, I need more

Need more of you, need more of me  
Plato where you at? Give me what I need  
Say please, say please  
Need more of you, need more of me  
Plato where you at? Give me what I need  
Say please, say please

My Miami love  
I'm packin' up  
Headed to you baby, come and show me love  
Show, don't tell, don't tell nobody  
I got a show tonight then want to feel your body  
Show, don't tell, don't tell nobody  
I got a show tonight then want to feel your body  
Body to body, cheek to cheek  
Something about you baby got me feelin' weak  
How I don't want to lose you and I don't even have you yet  
Early morning flight, I'm so uh on my panties, yup  
Only one that's hitting it, you should feel like the man in here  
Just me and you together, we ain't gotta have no cameras here  
I really-really like you cause you be on that savage shit  
I like the simple things, but I don't like that average shit

I said it's been a week but I feel like I know you  
I'ma hold you down and treat you like I'm supposed to  
I'ma show you things them other girls can't show you  
I don't know what it is I just wanna be close to you  
I just wanna be close to you, I just wanna be close to you  
I just wanna be close to you, I just wanna be close to you
