

Shawty

Dej Loaf

That's my shawty
I like what you be doin' with your body
Can't nobody get this pussy wet, yo
And can't nobody fuck me like you can, yo, you can, yo
That's my shawty
I like what you be doin' with your body
Can't nobody get this pussy wet, yo
And can't nobody fuck me like you can, yo

I just might beat the pussy, rock it
I just might eat the pussy, sock it
I'ma hurry up, Thug Mr. Miyagi
Pussy get wet when I go Miley Cyrus
All my jewelry water like a fuckin' fire hydrant
When shawty get on top it looks like hydraulics
And when I nut I leave a milked body
And these hoes straight out of Follie's
That pussy fat, man, but my dick is fatter
Might catch me blowin' in it like a [?]
You can do him, bitch he the same as me
I'm not gon' cuff her like the damn police
69 is the only time that you ain't a dime
When it's time I fold your ass up like a pork rind
Girl sit down, now she done jumped up off the porch now
I done planted a nigga crosses like the Lord now

Stretch that pussy out like it's pilates
The way that I be ridin' like I called shawty
He fuck me like he straight up out the [?] yo
He push it in so deep, I be like, "Damn, yo"
More than 15 seconds, put it on the ground, yeah
We go so ham
Solid nigga make solid moves, tie me up, that's that solitude
Bend it over, let you bottom bang
Eat me up, that's that badaboom
And that's my baby
You drive me crazy
Yeah that's my baby
Yeah why you drive me crazy?
That's my baby, why you drive me crazy?
You my baby, you drive me crazy

That's my shawty
I like what you be doin' with your body
Can't nobody get this pussy wet, yo
And can't nobody fuck me like you can, yo, you can, yo
That's my shawty
I like what you be doin' with your body
Can't nobody get this pussy wet, yo
And can't nobody fuck me like you can, yo
