Who am I?

Sometimes I sit and I just wonder will I ever fumble
Can't think like that I got to keep this shit forever going
When it rain niggas get wet in the D it's snowing
We got them fully automatics and them minks up on us
No tender loving care we gon creep up on em
Sick them demons on em, pray for me can't even function
Drum under the pillow, sleep in Gucci thermals
I can't get no sleep at night, I sit and think at night
I just need a peace of mind, I live a decent life
Who said this shit was easy, why they fucking lying
Let me have you baby promise I'm gon treat you right
I be like show you right, yeah show you right
I can tell you're not ready for me, tell me what your last bitch like
I can see she had you stealing your shit how long was y'all together
Nevermind I'm single, rather be filthy rich and hardheaded
Low down, dirty shame Peaches pretty bitch ball headed
