

# Break Up

Del Shannon

Don't try to fool me with tears in your eyes  
I know it won't be long  
I can feel it when we kiss  
You'll soon be gone

I can tell there's something on your mind  
You're just not the same  
I can hear it in your voice  
When you speak my name

We're gonna break up, break up, break up  
I'm losing you

I can see things I never saw before  
You keep hurting me more and more  
Oh there's so much that I wanna say  
But the right words don't come my way

We're gonna break up, break up, break up  
I'm losing you

I can see things I never saw before  
You keep hurting me more and more  
Oh there's so much that I wanna say  
But the right words don't come my way

We're gonna break up, break up, break up  
I'm losing you

Break up, break up, break up  
Break up, break up
