

Dream Baby

Del Shannon

Sweet dream baby
Sweet dream baby
Sweet dream baby
How long must I dream

Dream baby got me dreamin' sweet dreams the whole day through
Dream baby got me dreamin' sweet dreams night time too
I love you and I'm dreaming of you but that won't do
Dream baby make me stop my dreamin', you can make my dreams come true

Sweet dream baby
Sweet dream baby
Sweet dream baby
How long must I dream
Dream baby got me dreamin' sweet dreams the whole day through (dream baby)
Dream baby got me dreamin' sweet dreams night time too (dream baby)
I love you and I'm dreaming of you but that won't do (dream baby)
Dream baby make me stop my dreamin', you can make my dreams come true

Aw, sweet dream baby (dream baby)
Yeah, yeah, sweet dream baby (dream baby)
Sweet dream baby (dream baby)
How long must I dream

Sweet dream baby (dream baby)
Sweet dream baby (dream baby)
