

# I Don't Care Anymore

Del Shannon

You're leaving me you say that we are through.  
I can't believe that you found someone new.  
But now I plainly see, love's not meant for me.  
Go ahead and go, walk out the door, cause darlin', I don't care anymore.

I finally thought that I had found, the girl for me.  
But you're just like the others, you turned your back on me

I've always thought that you were meant for me  
I always thought that love just had to be.  
Love's one thing I can't win, I'll never try again.  
So, go ahead and go, walk out the door, darlin', I don't care anymore.

Before you go there's just one thing I ask  
a kiss from you, it's gonna be my last.  
This is the end, you see, love's not meant for me.  
So, go ahead and go, walk out the door, darlin', I don't care anymore.

Darlin', I don't care anymore...
