

I Got You

Del Shannon

When the world
Gets me down
And I can't seem to find, my way around
Your love
Is standing by
You always know what I'm feeling, deep inside
Love, is what I do
Just as long as you got me
And baby I got you

When the world
Gets you down
And you can't seem to find, your way around
My love is standing by
And I'll be there if you need me, at your side
'Cause love is what I do
Just as long as you got me
And baby I got you

To some love comes and it goes
But we gotta love that's so strong
It's like a love nobody knows

'Cause love is what I do
Just as long as you got me
And baby I got you
Just as long as you got me
And baby I got you
Just as long as you got me
And baby I got you
Just as long as you got me
And baby I got you
Just as long as you got me
And baby I got you
Just as long as you got me
And baby I got you
Just as long as you got me
And baby I got you
