

Jody

Del Shannon

Jody, I miss you so
More than you ever know
And I'll wait for Jody

Each year, you go away
I count the lonely days
'Til you return in June

The leaves begin to fall
The summer I'll recall
Next year, we'll be alone
Forever together

I'll write you every day
I'll buy a ring in May
And I'll wait for Jody
Jody, Jody, Jody, Jody...
