## Kelly

Kelly and I meet secretly We stay out of sight When we're in each others arms We know it isn't right

We are so in love But he loves you too How can I tell my best friend That I'm in love with you

He's told me of your sweet caress And of your lovely eyes Just how long can we go on Telling him all these lies

We are so in love But he loves you too How can I tell my best friend That I'm in love with you

Oh, Kelly, please, please tell me We gotta find a way Tell me what can we say Oh, Kelly

He's coming home tomorrow He's been gone so long We could get away tonight To run would be so wrong

We are so in love But he loves you too How can I tell my best friend That I'm in love with you

Oh, Kelly, please, please tell me
We gotta find a way
Tell me what can we say
Oh, Kelly
Oh, Kelly
Oh, Kelly
Oh
