

## One More Time

Del Shannon

Someday you'll hear my prayer  
Someday you'll really care

You'll want me to want you  
To love you one more time

Someday you'll come back to me  
Someday just wait and see

You'll want me to want you  
To love you one more time

You'll want my lovin', you'll want my huggin'  
Just like you did before  
Just say you love me  
And you'll be mine one more time
