

# Let's Pretend

Del Water Gap

You say you work on weekends  
At seven in the morning  
You fuck me like an old friend  
Say your ex was pretty boring, well me too

And you walk me to bodegas  
I forgot they're open late night  
Maybe someday I could date ya  
We'll play dress up and I might need you

And I'll still pretend  
That I'm your man  
And you never mind me staying out when you're at home in bed  
Oh and it's the fool  
Who fell for you  
No it's not me talking, don't believe a word he says to you  
Oh, let's pretend  
You'll picture me too

So tell me what you're into  
And I can do ya that way  
Throw your back against the window  
Leave your clothes on in the hallway, with your shoes

Show me to your best friends  
I'll wear a brand new t-shirt  
So better first impression  
Is what I'll leave when it's all over with you

And I'll still pretend  
That I'm your man  
And you never mind me staying out when you're back home in bed  
Oh and it's the fool  
Who fell for you  
No, it's not me talking don't believe a word he says to you  
Oh, let's pretend  
You'll picture me too

Yeah sha la la la oh  
Sha la la la aaaaaah

And let's still pretend  
That I'm your man  
And you never mind me staying out when you're back home in bed  
Oh and it's the fool  
Who fell for you  
No, it's not me talking, don't believe a single word he says to you  
Oh, let's pretend  
You'll picture me too

Oh, let's pretend  
You'll picture me too

Oh, let's pretend  
You'll picture me too
