Delacey

If I want, I can cry on demand
Or breathe just to stop, face a man
Then you get violent
And you wouldn't know if I did

I can sing you a song that I wrote
And you feel a clench in your throat
And even if I'm blowin' smoke
You think that we're gettin' close

You make me feel like a normal girl
And I wish that I could be here for you

I'm a good actress, yeah
Really fantastic, damn
Beautiful monster, yeah
Fuckin' imposter, yeah

And you make me feel like a normal girl
And I really wish I could be her for you
And I really wish I wasn't bad for you

I can play any role that I want
Like the person that you fell in love with
Tell me you think I'm the one
And I'll play along till it's fun

'Cause you make me feel like a normal girl
And I really wish I could be her for you

I'm a good actress, yeah
Really fantastic, damn
Beautiful monster, yeah
Fuckin' imposter, yeah

And you make me feel like a normal girl
And I really wish I could be her for you
Yeah, I really wish I wasn't bad for you

Take me to Hollywood, I'll be a star
I got to push in the night, got no heart
Don't you believe a word that comes out of my mouth

'Cause I'm a good actress, yeah
Really fantastic, damn
Beautiful monster, yeah
Fuckin' imposter, yeah

I'm a good actress, yeah
Really fantastic, damn
Beautiful monster, yeah
Fuckin' imposter, yeah

And you make me feel like a normal girl
And I really wish I could be her for you
Yeah, I really wish I wasn't bad for you
But I'm your favorite actress
