

Manly Man

Delacey

You're standing with your pride all six foot two
You wouldn't expect it looking at you
But I know what they don't
You see your therapist once a week
Sometimes you care about us more than me
Just so you know

I think it's sexy when you cry
I wish you did it all the time
Say you love me when you're teary eyed
I believe it
I'm turned on when you need someone
You know I wanna be that one
Stop tryna act so tough
I mean it
I know your daddy told you you have to be
But you don't have to be a manly manly man with me

Keep on keeping your guard down
Got our wedding song picked out
Yeah, I've got it made
You admit when you feel broken
Can't have sex without emotion baby
Don't change

I think it's sexy when you cry
I wish you did it all the time
Say you love me when you're teary eyed
I believe it
I'm turned on when you need someone
You know I wanna be that one
Stop tryna act so tough
I mean it
I know your daddy told you you have to be
But you don't have to be a manly manly man with me
I know the whole world told you don't be weak
But you don't have to be a manly manly man with me

Baby, you're strong to me
Baby, you're strong to me

Let your walls come down I know you can
You don't have to be a manly manly man
