

My Man

Delacey

Bitch, don't steal my man
He's got a weakness for girls like you
We both know you can
But I really need him more than you

You're a supermodel, shaped just like a bottle
He could run his fingers through your hair
I bet you're a good time girl
Don't you know he's mine though?
I was runnin' 'round for a minute
But he's the only one who can get it

So bitch, don't steal my man
He's got a weakness for girls like you
We both know you can
But I really need him more than you

Maybe I can fake it
Fake it till you make it
I can't do that, I'm not normal
I can't promise I'll be cordial
Got a mouth just like a trucker
I can't even be a lady
Out in public for my mother, motherfucker

But bitch, don't steal my man
He's got a weakness for girls like you
We both know you can
But I really need him more than you

I won't blame him if he leaves me for you
I won't even blame him if one day he runs off with you

Bitch, don't steal my man
'Cause he's got a weakness for girls like you
And we both know you can
But I really need him more than you, yeah

Don't steal my man
Bitch, don't steal my man
Don't steal my man
