

Not Enough

Delacey

I hate to say it
It's harder than I thought it would be
I'm not complacent
I know you kinda hoped that I'd be
What's changing?
When's it gonna feel like a breeze?
I wanna be wrong about this one, please

What a big surprise
I'm not the perfect wife
You're the love a my life, that's why I

Put on the dress
And I walked down the aisle
But you're only newlyweds for the littlest while
I gave you my youth and you took my name
That's not enough babe
That's not enough babe
That's not enough babe
Not enough babe, not enough babe, not enough babe

What's a vow worth?
Is it just a party and words
Maybe true love
Isn't everything I rehearsed
I changed for you
The day that I went and said yes
Don't make me regret that now

Til' the day that I die I said that I'd try
You're the love of my life that's why I

Put on the dress and I walked down the aisle
But you're only newlyweds for the littlest while
I gave you my youth and you took my name
That's not enough babe
That's not enough babe

There's not enough of your love
There aren't enough good years here
There's not enough of my trust
To make it all disappear yeah

It's not enough to give up
It's not enough to just be here
Its not enough babe, not enough babe, not enough that I

Put on the dress and I walked down the aisle cause you're
Only newlyweds for the littlest while
And I gave you my youth and you took my name
That's not enough babe
That's not enough babe
That's not enough babe
And That's not enough babe
