

Time

Delacey

We're almost always out of time
We don't get to be here without it
I just picked things from my garden
And I wanna tell you about it

I miss you, I miss you, I miss you
I wish I was with you, was with you
Is this what they're calling the time of your life?
'Cause it's never enough, never enough
No, it's never enough, never enough
No, it's never enough, never enough

Me and Nicole missing Christmas
I wish I took my grandma to Paris
And I watched a movie and I thought of Ruthie
I wish she was here to see this

I miss you, I miss you, I miss you
I wish I was with you, was with you
Is this what they're calling the time of your life?
'Cause it's never enough, never enough
No, it's never enough, never enough
And I miss you, I miss you, I miss you
I wish I was with you, was with you
When you are young, they say "Kid, you've got time"
But it's never enough, never enough
No, it's never enough, never enough
No, it's never enough, never enough

And I hope I spend it with you
I hope I spend it with you
I hope I spend it with you
I hope I spend it with you
