

Creatures

Delain

Our cities turned to ash
Our stories all been told
Our final melody is slowly
Dying with the light
But you are the night
You are the night, oh my

You fall, you fight
My creature of the night
You try, you stall
You're forced to give it all
But if your back's against the wall
Who's gonna catch you when you fall?

Our bodies will not rest
Under marble and snow
Our ceremony sober
With nobody left to cry
But you survived
You are the night

You fall, you fight
My creature of the night
You try, you stall
You're forced to give it all
But if your back's against the wall
Who's gonna catch you when you fall?

You don't walk alone tonight
You will learn the price of time
You've got the weight of memory
Forever chained onto your feet
Chained onto your feet
Chained onto your feet
But when your back's against the wall
Who's gonna catch you when you fall?
