

# Hit Me with Your Best Shot

Delain

Hit me with your best shot  
Give me all that you've got  
Hit me til I'm down and out  
I'm black and blue  
Now for the love of God  
Hit me with your best shot

It was the last thing on my mind  
Well could it be, could it be,  
At the wrong place, the right time?  
Bittersweet surrender  
I let the face of concrete meet with mine

Way to kick me when I'm the ground  
Way to kick me when I'm already down  
When you thought I'd turn around  
I turned the other cheek

Hit me with your best shot  
Give me all that you've got  
Hit me til I'm down and out  
I'm black and blue  
Now for the love of God  
Hit me with your best shot

You made my peaceful bubble burst  
Well you don't just leave me  
Destroy me first  
Bittersweet surrender  
I let you mark the spot

Hit me with your best shot  
Give me all that you've got  
Hit me til I'm down and out  
I'm black and blue  
Now for the love of God  
Hit me with your best shot  
Give me all that you've got  
Hit me til I'm down and out  
I'm black and blue  
Now for the love of God  
Hit me with your best shot

We're falling to pieces  
One by one you're going down  
We pick up the pieces  
Or leave them scattered on the ground  
This will be your final chance  
To fight for what we've got

Hit me with your best shot  
Give me all that you've got  
Hit me til I'm down and out  
I'm black and blue  
Now for the love of God  
Hit me with your best shot  
Give me all that you've got

Hit me til I'm down and out  
I'm black and blue  
Now for the love of God  
Hit me with your best shot
