

No Compliance

Delain

It feels so dangerous
I don't know where you are
You can't control my every move
Although you try so hard

Accept it, leave it
Your wisdom doesn't make me wise
Accept it, leave it
Your tears don't make me cry

Drifting apart, lay me to waste
I know your fears, I feel your pain
Running away, through a spinning maze
Running away, to a safe escape

No compliance, your boundaries suffocate
My lungs are filled with poison in your cage
Bruises and stains, no power left to stand
You held me down, help me rise again

It feels so dangerous
I don't know where you are
You can't control my every move
Although you try so hard

Accept it, leave it
Your wisdom doesn't make me wise
Accept it, leave it
Your tears don't make me cry

No compliance, your boundaries suffocate
My lungs are filled with poison in your cage
Bruises and stains, no power left to stand
You held me down, help me rise again
