

Psycho

Delaney Jane

Stuck in a cycle
Psycho and I might go
Crazy, crazy
(I'm gonna)
Never been so shy
So why am I socially up-tight
Lately, lately?

I know I'm not the only one
Who always feels alone
Tell me I'm not the only one
Who never feels at home

I could use a friend right now
Come and hold me down
Oh I, oh I
I'm shrinking in this crowd right now
So alone somehow
Tonight, tonight

'Cause I could use a
I could use a
Yeah, I could use a
I could use a
Yeah, I could use a friend right now
Come and hold me down
Tonight, tonight

Nervous and I can't breathe
Anxious and I can't sleep
I don't know myself
(I don't know myself, yeah)
(Yeah I'm gonna)
Messin' up a good thing
Mood swing, so low
And I'm sinking down
Again, again, again

I could use a friend right now
Come and hold me down
Oh I, oh I
I'm shrinking in this crowd right now
So alone somehow
Tonight, tonight

'Cause I could use a
I could use a
Yeah, I could use a
I could use a
Yeah, I could use a friend right now
Come and hold me down
Tonight, tonight

When I was a child
I was so wild
How did I get here?
How did I get here?

When I was a child
I was so wild
How did I get here?
Oh, how did I get here?
When I was a child
I was so wild
How did I get here?
How did I get here?
When I was a child
I was so wild

Oh, I could use a friend right now
Come and hold me down
Oh I, oh I
I'm shrinking in this crowd right now
So alone somehow
Tonight, tonight

Someone get me out my head
Before I make myself a mess
I could use a
I could use a
Yeah, I could use a friend right now
Come and hold me down
Tonight, tonight

Stuck in a cycle
Psycho and I might go
Crazy
