

## Bedroom Scene

Delays

Underneath the table for shade  
I leave you to the living again  
Arabesque a flowery grave  
I watch a real star winning

Over this twilight  
Shouting at Jesus  
Absolute closeness  
Could be beneath us

If you  
Lose yourself through touch  
Lose yourself in love  
It leaves me nothing to know  
Just a stationary role  
In your bedroom scene

Maybe what I'm trying to say is  
I lost you in translation  
To lover from the hand of a friend  
Too much, too hard to mention

So don't  
Lose yourself through touch  
Lose yourself in love

Lose yourself through touch  
Lose yourself in love  
Lose yourself through touch  
Lose yourself in love
