

# Friends Are False

Delays

I only came because you asked me to  
Your friends are false but I'm stuck on you  
Outside your moving clouds the sun shines through  
You're turning darker days into blue

I'm on the outside, I'm looking in  
And I'm seeing colours where the shadows have been  
And I'm on the outside, I'm looking in  
And I'm seeing colours where the shadows have been

Did you see me in the shadows when you danced alone?  
I will be a vigilante for your touch now on  
I'm a painter and I'll paint you such a vivid scene  
I know what you want 'cause I know what you need, okay

I'll be a spotlight hanging over you  
I'll watch your back if you want me to  
But there's a killer that I'm cutting through  
Your friends are false and you need me too

I'm on the outside, I'm looking in  
And I'm seeing colours where the shadows have been  
And I'm on the outside, I'm looking in  
And I'm seeing colours where the shadows have been

Did you see me in the shadows when you danced alone?  
I will be a vigilante for your touch now on  
I'm a painter and I'll paint you such a vivid scene  
I know what you want 'cause I know what you need, okay  
I could hardly be your lover after what you said  
I will be a vigilante for your touch instead  
I'm a painter and I'll paint you such a vivid scene  
I know what you want 'cause I know what you need, okay

Did you see me in the shadows when you danced alone?  
I will be a vigilante for your touch now on  
Did you see me in the shadows when you danced alone?  
I will be a vigilante for your touch now on

Now on, now on, now on, now on, now on  
Now on, now on, now on, now on, now on  
Now on, now on, now on, now on, now on  
Now on, now on, now on, now on, now on
